

# GASKET, SEAL AND O-RING DISPLAY FOR BIG TWIN® TRANSMISSIONS

Included in this display kit is a package of pegboard hooks and canoe clips. The canoe clips are used to secure the four corners to the pegboard. There should be four canoe clips for peg board with 1/8" holes and four canoe clips for peg board with 1/4" holes.

The following list is a complete listing of all gaskets, seals and o-rings needed to fill the display. That there may be more than one choice for a location on the display. We have listed additional choices for these items after the first choice, which we feel is usually the best option.

Replacement hooks and blister boxes are available by ordering part number **DS-173978**. It includes 10 standard ball hangers, 2 standard hangers, 4 1/8" canoe clips, 4 1/4" canoe clips and 2 clamshell blister boxes.
